

ADVANTAGES

OF FAST CARRIER

QUANTITY of Material Handling Machine
(in a Light Industry factory)

- Overhead Crane 10T, 2 units
- Rail type Gantry Crane 10T/20T, 1 unit
- Truck Crane 25T
- Trailer (Truck) 30T, 1 unit
- Forklift 10T/5T, 1 unit

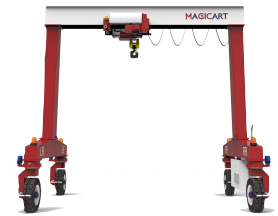

- FAST CARRIER 3T~20T, 2 units
- FORKLIFT 5T/10T, 1 unit

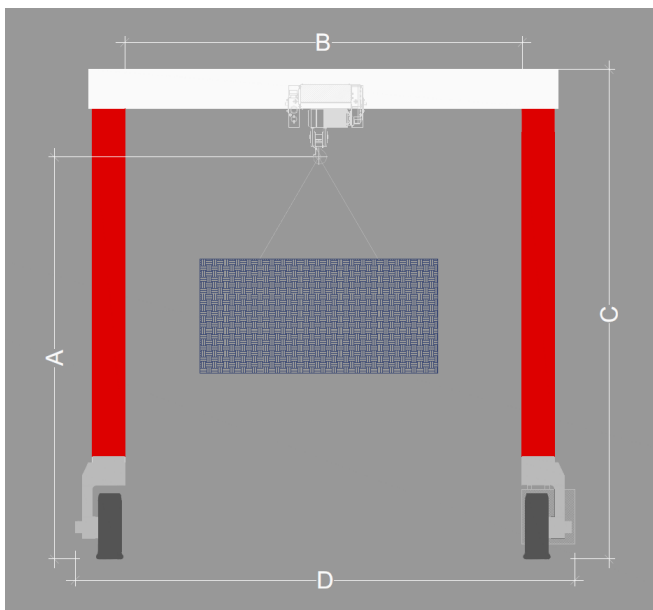

The Best Partners: **Fast Carrier + Forklift**

One Fast Carrier is the best alternative for traditional cranes & trailers!

F3 CARRIER

More Useful, More Economic, and More Smart!

Fast Move

With 100% Load on hook

Zero Damage

for Load & Unload from a truck to ground or return

Precise Positioning

Lift it to a narrow place

High Mobility

Move from indoor to outdoor and everywhere

High Efficiency

One man to finish all job. quickly.

Save Huge Cost at once

Model: F3

Capacity: 3 tons

Lifting height: 3/4/5m

Clear width: 3/3.5/4m
